Version: 1

Council Position New Professional Chair

Report version 1 – 06/03/2022

Despite several events being planned the IIN NPG has unfortunately not been able to host any events in 2021 due to COVID restrictions being in force during the majority of the year.

There are plans to resume face to face events again towards Q2/Q3 of 2022 when restrictions have been removed and there is less uncertainty regarding people returning to offices and being comfortable to socialise face to face again.
